

BeAM Makerspace FLC

Request for Proposals for 2021-2022

Interested in integrating design and making into your course, but not sure where to start?

Apply to join the 2021-2022 BeAM Makerspace Faculty Learning Community!

Deadline to Apply: March 1st, 2021

Benefits include:

- ⚙️ **A \$3,000 salary stipend** for developing or enhancing the proposed course
- ⚙️ **A Makerspace Course Design Workshop** to support the integration of making and design into curricula
- ⚙️ **Monthly Makerspace FLC meetings** facilitated by experienced makerspace staff and faculty
